Event Title: IMech Orientation 2024 by E-Cell, Jadavpur University

Event Date: 2nd February, 2024

Event Time: 5:00 pm - 9:00 pm

Event Location: Mechanical Engineering Department, Jadavpur University (Room no. M 4-1, M 4-2, M 4-16, M 3-1, M 3-2, M 4-15, M 3-16)

Faculty Coordinator in Charge: Prof. Aranyak Chakraborty, Prof. Pranibesh Mandal

Student Coordinator in Charge: Samayan Mazumder, Project Fellow, IIC

Brief Intro of Program:

The Institute of Mechanical Engineers (iMechE) successfully organised the Orientation 2024 event for incoming college freshmen, providing an engaging and informative introduction to the academic year. The event aimed to familiarise new students with the institute's culture, resources, and opportunities while fostering a sense of community among the future mechanical engineers community.

Event Highlights:

Welcome Address:

The orientation began with a welcome address from the iMechE faculty and staff. The freshers were greeted by the student members with an introduction and the brief insights about the cell.

Keynote Speakers:

Renowned professors and Faculty Coordinators of the Department of Mechanical Engineering, Jadavpur University, delivered inspirational speeches, sharing their experiences and insights. Their talks motivated students to pursue excellence in their academic and professional journeys.

Academic Overview:

An informative session provided an overview of the mechanical engineering curriculum, highlighting key courses, research opportunities, and academic support services. Faculty members answered queries, helping students gain a comprehensive understanding of their academic journey.

Prospective Interactive Workshops:

Engaging workshops were directed to be conducted in the upcoming events to enhance practical skills and introduce students to various aspects of mechanical engineering. Workshops covered topics such as 3D printing, CAD modeling, and hands-on projects, fostering a hands-on approach to learning.

Student Organizations Fair:

A vibrant presentations showcased various student organizations related to mechanical engineering, providing freshmen with an opportunity to join clubs, participate in competitions, and network with like-minded peers. This facilitated the development of a strong sense of community within iMechE.

Mentorship Program Launch:

The introduction of a mentorship program paired freshmen with experienced upperclassmen, creating a support system for academic and personal development. This initiative aimed to ease the transition into college life and provide guidance throughout their academic journey.

Networking Luncheon:

A networking luncheon allowed students to interact with faculty, staff, and industry professionals in a casual setting. This provided a valuable opportunity for students to build connections that could potentially benefit their academic and professional careers.

In conclusion, the iMechE Orientation 2024 was a resounding success, setting a positive tone for the academic year and laying the foundation for a vibrant and supportive community of mechanical engineers. The institute looks forward to welcoming and nurturing the next generation of talented individuals in the field of mechanical engineering.
