Brief Intro of Program:

Jadavpur University Entrepreneurship Cell conducted an orientation session during the Student Induction Program for the Food Technology and Biochemical Engineering department on 16th October, 2023. The session, held via Google Meet generated by departmental professors, aimed to provide a comprehensive overview of Ecell JU. It emphasised the importance of entrepreneurship and explained how our cell may play a critical role in developing future entrepreneurs among students.

Event Highlights:

The entrepreneurship introduction session for first-year engineering students proved to be an enlightening experience, blending technical acumen with entrepreneurial insights. The session commenced with an overview of the multifaceted role of entrepreneurs, emphasising their ability to transform innovative ideas into impactful solutions. Engaging discussions and interactive activities provided students with a deep understanding of the entrepreneurial journey, from identifying opportunities to navigating complex business landscapes.

The highlight of the session was the exploration of compelling business case studies, offering valuable lessons from the triumphs and challenges faced by visionary

entrepreneurs. Students left the session inspired and equipped with foundational knowledge, ready to embark on their engineering journey with a newfound appreciation for the symbiotic relationship between innovation and entrepreneurship. The event set the stage for a future where these budding engineers are not only adept problem-solvers but also visionary leaders in the dynamic world of business and technology.
