- Susanta Das (Phd Student,JU)

Introduction: The Regional Meet of the Institute Innovation Council (IIC) at Sister Nivedita University was held on the 12th of January 2024, commencing at 10:00 AM. The event aimed to foster innovation, collaboration, and knowledge exchange among various institutes in the region. The gathering brought together students, faculty, and industry experts to discuss and promote innovative ideas.

Venue: The event took place at the Sister Nivedita University campus, providing an ideal setting for participants to engage in meaningful conversations and networking opportunities. The venue was equipped with state-of-the-art facilities, including auditoriums and exhibition spaces, to accommodate the diverse activities planned for the day.

Inauguration: The Regional Meet commenced with an inaugural ceremony that featured keynote speakers, including eminent personalities from the academic and industrial sectors. Their insights set the tone for the day, emphasizing the crucial role of innovation in academic institutions and the broader community. The university officials, along with the dignitaries, officially inaugurated the event, expressing their support for fostering a culture of innovation.

Panel Discussions and Workshops: A series of panel discussions and workshops were organized to delve into various aspects of innovation, entrepreneurship, and emerging technologies. Eminent speakers shared their experiences and expertise, providing valuable insights to the participants. Topics covered included sustainable innovation, industry-academia collaboration, and the role of technology in shaping the future.

Project Exhibitions: One of the highlights of the event was the project exhibitions, where students showcased their innovative projects. The exhibits ranged from technology-driven solutions to social innovations, demonstrating the creativity and problem-solving skills of the students. Industry representatives and fellow students had the opportunity to interact with the exhibitors, fostering a collaborative spirit.

Networking Opportunities: The Regional Meet provided ample networking opportunities for participants to connect with like-minded individuals, industry professionals, and potential mentors. The interactive sessions facilitated meaningful discussions and the exchange of ideas, creating a platform for future collaborations.

Conclusion: The Regional Meet of the Institute Innovation Council at Sister Nivedita University was a resounding success, promoting a culture of innovation and collaboration. The event not only showcased the innovative projects of students but also provided a platform for learning and knowledge sharing. The enthusiastic participation of students, faculty, and

industry experts contributed to the overall success of the event, leaving a lasting impact on the academic and innovation ecosystem in the region. The organizers, speakers, and participants deserve commendation for their active involvement and commitment to fostering innovation. The Regional Meet has undoubtedly set a positive precedent for future collaborative endeavors in the pursuit of knowledge and creativity.
