

Title: Exposure visit to Tinkering Lab

Description: Exposure Visit

Name of the event - IIM Calcutta Innovation Park Visit

Date of the event - 27th December 2019

Venue - Indian Institute of Management Calcutta, Diamond Harbour Rd, Joka, Kolkata, West Bengal 700104

Brief Description of the event- 3 students from Jadavpur University Entrepreneurship Cell visited IIM Calcutta Innovation Park to discuss the precursor event, a 2 day Bootcamp by IIM Calcutta Innovation Park for our event Entrepreneurship Summit 2020 being organized from 28th February to 1st March and a long term collaboration.

This Bootcamp is dedicated to increasing the business acumen among the students specifically engineering undergraduates. Jadavpur University already harbors a number of technical ideas, so IIM-C stands is interested in mentoring these startups, finally, transforming this into a long term collaboration between the Jadavpur University Ecell and IIM Calcutta Innovation Park.

The visiting students also got a chance to interact with the startups already hosted by IIM-C Innovation Park. They shared their startup ideas with them.

The students visiting the Innovation Park:

1. Aditya Das, BE Chemical Engineering UG-3
2. Aneek Chakraborty, BE Mechanical Engineering UG-3
3. Soumalya Kundu, BE Mechanical Engineering UG-3

Dignitaries (if any):

1. Subhrangshu Sanyal, CEO, IIM Calcutta Innovation Park
